From Thailand's Coconut Blossom to a Modern Natural Beverage

HuqKhuun is a Thai natural beverage brand crafted from coconut blossom nectar, a unique natural ingredient collected before it becomes a coconut fruit.

Naturally sweet, delicately aromatic, and deeply connected to Thailand's coconut heritage, HuqKhuun brings coconut blossom juice into modern beverage, retail, café, and HORECA applications.

“ *HuqKhuun brings Thailand's coconut blossom heritage into modern beverage and HORECA applications.* ”

📍 **Origin:** Ban Phaeo, Samut Sakhon, Thailand

What is Coconut Blossom Juice?

Coconut Blossom Juice is the naturally sweet sap collected from coconut blossoms before they become coconut fruits. It has a delicate floral aroma, natural sweetness, and a smooth refreshing taste.

-  From coconut blossom nectar
-  Naturally sweet without added sugar
-  Delicate coconut aroma
-  Suitable for drinking, mixing, and culinary applications
-  Low Glycemic Index

Topic	Coconut Blossom Juice	Coconut Water
Source	Coconut blossom sap	Young coconut fruit
Taste	Naturally sweet, floral, aromatic	Light and refreshing
